

FIFTEEN TWENTY

Written by David Yoon

Verse 1

Em **D**
I was born inside a grave
C **G/B**
and death was all I've ever known
Em
But You have come
D **C** **G/B**
You have come to raise up these dry bones
Em **D**
You saw beauty under flesh
C **G/B**
like a sculptor sees a stone
Em
And now my worth
D **C** **G/B**
now my worth is found in Him alone

Chorus

C **D** **G/B** **Em**
You are wonderful, You're beautiful
C **D** **G/B**
You're robed in majesty
C **D** **G/B** **Em**
You are glorious yet this wretch You're beckoning
C **D** **G**
You've always been waiting for me

Verse 2

Your heart is full of patience
As You wait for me to come
All the while
All the while Your gaze is filled with such love
There's a place before Your throne
That ends a path that's so well worn
From all the times
All the times that You have brought me home

(Change to 6/8)

Bridge

C **D**
Oh all the things I have done
G/B **Em**
Have been washed away by Your blood
C **D/F#**
You love me, You love me
G
My Father loves me

Chorus 2

You've always been waiting for me
