

Father and Child Song [D, 4/4]

[Default Arrangement]

Verse 1

G **A** **Bm** **D/F#**
You've been made wise by so much religion
G **A** **Bm**
You always know what to do
G **A** **Bm** **D/F#**
So full of rights that your wrongs are a visage
G **A** **Bm**
Cause wise men need humbleness too
G **A** **Bm** **D/F#**
Your words will point up to me it's endearing
G **A** **Bm**
I wish that your eyes did too
G **A** **Bm** **D/F#**
Your face shows that you've got it all put together
G **A** **Bm**
But the chaos is breaking through

Chorus

G **A** **Bm**
Cause clever words and knowledge with no peace
D/F#
Have no meaning
G **A** **Bm**
What are crowns and riches without You
G **A** **Bm** **D/F#**
I've become a king of a ghostly dominion
G **A** **Bm**
Father I am waiting here for You

Verse 2

I know all the things that I have to be doing
I'm well versed in what is true
But if I'm still troubled amidst the solution
I wonder if I found You
So I'm waiting for something beyond all my knowing
Listening for a whisper from You
Be still oh my soul don't you go any further
G **A**
Til all I am is true

Bridge

G D/F# **Em7** **Asus** **A**
Father You know me completely
G **D/F#** **Em7** **A**
Your eyes see every crevice
G **D/F#** **Em7** **Asus** **A**
But still you love me so sweetly
D/F# **Em7** **A**
So G I'm free to just be Your child

Chorus 2

Cause clever words and knowledge with no peace
Have no meaning
What are crowns and riches without You
You're the only king over my heart's dominion
Father I am waiting her for You
