

# JESUS I MY CROSS

Written by Henry Francis Lyte

Modified by David Yoon and Andrew Kim

## Verse 1

**A E/G# C#m Emaj7**

Jesus, I my cross have taken

**A E/G# C#m B/D# E**

All to leave and follow You

Destitute, despised, forsaken,

Starting here my all is You

Perish every fond ambition

All I've sought or hoped or known

Yet how rich is my condition

God and heaven are still my own

## Verse 2

Let the world despise and leave me

They have left my Savior, too

Human hearts and looks deceive me

You are not, like them, untrue

And while You shall smile upon me

God of wisdom, love, and might

Foes may hate and friends may shun me

Show Your face, and all is bright

## Chorus

Jesus Jesus

Help your people fight to follow

So wherever you go we'll be right by your side

## Verse 3

Go, then, earthly fame and treasure

Come, disaster, scorn, and pain

In Your service, pain is pleasure

With Your favor, loss is gain

I have called You Abba, Father

And my heart, oh, You shall keep

Storms may howl, and clouds may gather

All must work for good to me

## Verse 4

We will haste from grace to glory

Armed by faith and winged by prayer

Heaven's eternal day's before me

God's own hand shall guide me there

**A E/G# C#m Emaj7**

Soon shall close the earthly mission

**A E/G# C#m Cdim Bm7 E7susadd9**

Swift shall pass my pilgrim days

**A E/G# F#m Emaj7**

Hope soon change to glad fruition

**A E/G# F#m B**

Faith to sight, and prayer to praise

## Tag
