

# ONWARD

Written by David Yoon

**Intro: G/B C D Em**

## Verse 1

**G/B C D Em**  
Stop the presses, We've got good news in store  
**G/B C D Em**  
He's the joy for our mourning so let our praises roar  
**G/B C D Em**  
Start the pressing and let's make it our own  
**G/B C D Em**  
Faith that keeps pressing onward to our heavenly home

## Chorus

**C G/B Am Gmaj7**  
So we'll keep on walking until we see your face  
**C G/B**  
So help us love, help us praise  
**Am Gmaj7**  
Help us live Your way  
**C G/B Am Gmaj7**  
Yes we'll keep on walking, every step is grace  
**C G/B**  
So help us run and to obey  
**Am Gmaj7**  
Help us live Your way

## Verse 2

Drop the ways that turned our hearts into stone  
Cause our gilded chains don't turn our sins into gold  
Leave the vices and gain from abandon  
What use is dead weight when it's freedom we stand in

## Bridge

**G/B C**  
Chased after flashes, Pitiful passions  
**Em D**  
Yeah now we're seeking the kingdom  
**G/B C**  
Beauty from ashes, Grace from the lashes  
**Em D**  
O what a life we've been given
